3rd year of engineering program
Building option

Semester

ECTS Credits

Language of instruction

Technology – 160h

Fire safety – Accessibility	S2	10	FR
Acoustics	S2		FR
Building refurbishment	S2		FR
Sanitary engineering	S2		FR
Electricity	S2		FR
Tender & Market research	S2		FR
Climatic engineering	S2		FR
Lean management	S2		FR

Project – 301h

Graduation project	S2	20	FR
Sustainable development	S2		FR
Architecture	S2		FR
Fire security	S2		FR
Acoustics	S2		FR
Structures	S2		FR
Refurbishment and retrofitting	S2		FR
Electricity	S2		FR
Thermal engineering	S2		FR
Sanitary engineering	S2		FR
Meters calculation – Price calculation	S2		FR
Worksite organization	S2		FR
Foreign language	S2		FR

Expression and Communication – 119,5h

French general knowledge	S2	5	FR
English	S2		-
Labour laws	S2		FR
Building laws	S2		FR
Conferences	S2		FR
Ethic management	S2		FR
Personal development	S2		FR
Professionals careers in small companies	S2		FR

Graduation internship

Graduation internship	S2	25	FR
Internship report	S2		FR
Oral presentation	S2		FR
Corporate valuation	S2		FR
Ethic management	S2		FR
